Our Mission is to provide quality professional training and performing opportunities for ANY child who wants to dance. Our experienced teachers promote a fun, loving and encouraging environment in their classes. This positive atmosphere enables students to work to their potential. We are a ballet-based studio that offers classes in all forms of dance. We offer classes that include ballet, pointe, hip-hop, jazz, contemporary, and tap. We also have a special Kinder Dance program for dancers ages 2 - 4. Mindy's JSCD is proud to be one of the few studios that perform 2 shows a year. This gives our dancers the chance to excel in all the dance forms they are studying. In December, we perform The Nutcracker, which is a full-length ballet and we have a "Holiday Review" for our kinder and hip hop students. In May, we present a Spring Recital which encompasses ballet, hip hop, tap, jazz, and contemporary dance.
